I loved the location of the Gorges Camp as I felt like the location was only the time we got to see real and rural Africans and how they truly lived; the service was amazing and everyone was very attentive!

Machamba Camp was over the top! Food, accommodations, game drives etc. were all first class. We saw Elephants, lionesses and cubs, cheetah, wild dogs, hyenas, giraffes, crocodiles, hippos, zebras and lots of gazelle, antelope and other deer or elk like animals so many we couldn't keep track.
